3 Bedroom, 2.00 Bathroom, 951 sqft

Residential on 0.14 Acres

Victoria Park, Lethbridge, Alberta

This 3-bedroom, 2-bathroom home offers a smart and functional layout, situated on a 6,000 sq ft lot—perfect for future development, including the potential for a garage (buyer to verify with the city). Ideally located near the hospital, this home is both convenient and full of potential.

Recent improvements include fresh paint in parts of the upper level, a renovated main bathroom, and updated shingles in 2015 (25-year shingles). You'll appreciate the character of the hardwood flooring and crown molding that flow through much of the upstairs. A rear entry provides added flexibility.

The home is currently vacant and available for quick possession. While some updates may be needed, this is a fantastic opportunity to own a property under \$300,000 and add your own touches. Don't miss out—contact a REALTOR® today to schedule a showing.
